

A Taste of Judaism

Thursdays, 7:00 PM

Teacher: Rabbi Moshe Levin

We will approach the Bible as literature, appreciating the myths, laws, rituals & values in the context of their time. Our goal will be to understand the text, not preach. Then we will turn to preachers and other great medieval scholars, Jewish and some Christian. The class concludes with a brief spiritual thought from the prolific genius of the 20th Century, Rabbi Abraham Joshua Heschel.

Class fee: No charge
